- 1) A criminal will NOT obey any law that you make!! A law-abiding citizen will obey most laws (there will be a lot who become criminals if YOU pass gun control, it is not about guns, but the operative word CONTROL!!!)
- 2) Red flag gun confiscation legislation is UNCONSTITUTIONAL!!!! **Amendment II:** A well-regulated Militia (In Colonial times: 'all able-bodied white men of all ages were members' and expected to provide their own weapons etc.), being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed. **Amendment IV:** The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated, and no Warrants shall issue, but upon probable cause, supported by Oath or affirmation, and particularly describing the place to be searched, and the persons or things to be seized.
- 3) Universal background checks will NOT work (See #1)
- 4) There are TOO MANY laws now!!! If everyone lived by the 10 Commandments 'Thou shall not murder' would be sufficient!!!
- 5) The judicial system has caved to the pressure of activists and have become too soft on crime!!! Allow police to do their jobs and hold the judicial system to account for their decisions when they release criminals and they continue their criminal lifestyle and, in many cases, even more heinous crimes.
- 6) There is only one way to deter crime and that is to eliminate those that commit the worst crimes!!!!

I believe our FOUNDING FATHERS were divinely inspired when they wrote the BILL of RIGHTS (10) the same number as the COMMANDMENTS!!!

The SECOND there to back up the FIRST and protect the rest!!
